

Held June 18, 2005

Dear CBC participants, contributors and sponsors,

We would like to thank everyone for making this year's event another successful gathering of friends and families. Together we raised more than **\$15,005** (expecting more) for the **North Florida Chapter of the Leukemia & Lymphoma Society** (www.leukemia-lymphoma.org). Along with the \$5200 raised at the Barnyard Boogie in February, the two CBC events have raised more than **\$20,000** this year. Your generosity will support the Leukemia & Lymphoma Society's mission of helping victims of leukemia and other blood-related cancers. Some highlights in no particular order:

- We hope you didn't miss Friday night's Kickoff Party hosted by **Island Massage and Skin**. The Stringer family and the IMS staff really went all-out with food and libations, providing a great way for everyone to get together before the event. Thanks also to Debbie Dougheny, Jeff Ference, Diana Moss, Ian Millinoff, Joe Huber, and Jay Hogan for posting winning silent auction bids at the Kickoff Party – it all helps the cause.
- Congratulations to these top finishers - See www.crescentbeachchallenge.org for complete results and times.

- Last year's 2004 Nancy Chellemi Award winner **Hunter Parrish** (9 yrs old) raised **\$659** in donations this year!
- The **2005 Nancy Chellemi Award**, which is given by the CBC to someone who 'embodies the true spirit of the CBC,' was presented by Hunter Parrish to **Kemp Howell**. Kemp, who also serves as the Alachua County Chair of the American Cancer Society, has added a great personal touch to all CBC events by serving as CBC spokesman and by involving cancer victims and others who might greatly benefit from the spirit of the events. The lei ceremony initiated by Kemp several years ago, symbolizes his contributions to the CBC. Thank you Kemp.
- We had 145 official participants (42 surfboard paddlers alone) and approximately 100 more contributors who came out in support but did not race.
- **Special sponsor awards** were given to Island Massage and Skin (**Carolyn Stringer** – Crescent Bch.), Internet Media Services (**Mike Swift**-Indialantic), Duval Federal Credit Union (**Jay Hogan** - Jax), Freeride Surfshop (**Meredith Burch**-Gainesville) and Secure-res.com (**Steve Million/Joe Hyman** – Jax). A Special Committee Award was presented to **Tom Glikes** for his 'beyond the call of duty' efforts. The CBC Committee presented flowers and a framed photo to **Amy and Jeff Million** in recognition of their 7 years of work for the CBC.
- A special thanks to the '**K-Kids**' of **McRae Elementary School in Keystone Heights** and their principal **Marcus Dooley** and teacher sponsor **Lee Ann Hawkins** for raising **\$350** for the CBC!
- We had two exciting surfboard offerings this year. **Jim Millsaps** donated a beautiful **Tom Curren-signed** Al Merrick Channel Islands 'Black Beauty' surfboard which was nabbed by **Mike Ryals** in a silent auction – thanks Jim, Tom and Mike. **Charles Hogan** walked away with the Happy Trails longboard donated by **Freeride**

Surfshop. His wining ticket was drawn amongst 351 tickets. Between the two boards, more than **\$2275** went directly to the LLS.

- Thanks (once again) to **Jeff Hembry** and **Marc McCormac** for grilling hamburgers and hot dogs for everyone.
- A **lei** (donated by Missy Crevasse) was passed around the ring of participants by **Dave Cusumano**, a friend who is fighting cancer. In CBC tradition, Dave handed the lei to **Dan Chellemi** who paddled it out to sea and released it onto its open waters.
- The Saturday night fish fry hosted by the **Chellemi families** in Summer Haven was a great way to finish a great day.
