Dear participants, supporters and friends, www.crescentbeachchallenge.org

The theme of this milestone year of the CBC is "Full Circle". The CBC started 10 years ago as a gathering of 30-40 friends to show support for the Chellemi family - and raise \$1645! Through the years the event has grown steadily to include more than 300 participants and sponsors together donating over \$30,000 to help victims of blood-related cancers. This year we would like to refocus on our humble beginnings by emphasizing the spirit of the event and by downplaying event competition. The following are some "Full Circle" event notes:

- 1) **Friday (Lucky 13th!) Kickoff Party at the Pier** This will be a fun "Pavillion Party". Live music, food and drinks, volleyball courts, registration/shirt pickup, special ceremony reliving the past 10 years of the CBC. Please try to make this Friday evening get-together if you can swing it.
- 2) **Main Event – "Bragging Rights" only !!** - no official monitoring of race results! Personal vendettas will be encouraged (Beat Boo!). By sharing some of the ceremony with the Friday Kickoff party and foregoing prizes, more time will be allotted for the lei ceremony and for fun on the beach.
- 3) **Unofficial Saturday night party at the beautiful 'River to the Sea Preserve' park** - from 6 pm until ? Park is located just south of Marineland (7 mi south of main ramp in Crescent Beach on the Intracoastal Waterway). Crescent Beach Mulletstompers and friends will be providing music entertainment. . .Let's wrap up this event in style!

We hope to see you there. If you have any questions or comments, please contact:
